

Community Development Manager - The Hill Sports and Community Facility

We are a thriving independent church whose mission is Making Disciples, Building Community, and Reaching Out to others.

We are seeking a highly skilled, experienced and entrepreneurial individual to lead our work running The Hill Sports and Community Facility on Bretch Hill, a large estate scoring poorly on multiple indices of deprivation and health.

BCC has led work at The Hill on behalf of the local authority since 2009, which has recently moved into a brand-new centre. Built to Sport England specifications, this new facility presents fantastic opportunities for activities and services encouraging whole-life wellbeing through physical activities, food and cooking and community engagement.

The Community Development Manager will lead this work, developing collective enthusiasm and collaborative energy to ensure delivery against the church's mission and commitment to build community, working with a host of partners.
